Biography

Scentiments.com was one of the first online discount fragrance retailers. I have over 12 years in the online business marketing strategies and has become an expert in Internet marketing. Scentiments began in a garage and today is No. 376 in the Internet Retailer Top 500 Guide. Scentiments was voted a HOT 100 site for 2009 and for 2011. The company has earned the Bizrate award for eleven years. This success can be attributed to integrating old school strategies with new age ideas and creative marketing.
