

Hussein Ahmed

CEO and Founder at Transpose

Seattle, WA, US

Information management expert creating a platform that will disrupt the way businesses use data.

Biography

I'm the founder and CEO of Transpose, a tech startup based in Seattle, WA, USA. Transpose is a smart workspace for business teams to manage projects, collaborate with one another, and conduct key business operations all in one place. Before launching Transpose, I worked for Amazon as a Software Development Manager and has built numerous startup projects including Bondeebo.com, Nastafty.com, and Pikita.com. I have a PhD in Computer Science from Virginia Tech.

Industry Expertise
