

# **Jackie Blissett**

**Professor of Psychology at Aston University**

Birmingham, , GB

Professor Blissett has a interest in children?s fussy eating including poor fruit and vegetable acceptance, emotional eating, and obesity.

---

## **Biography**

Jackie Blissett has been working in the field of children?s eating behaviour for over twenty years. In that time much of her research has focussed on the biological, affective and cognitive factors of parents and their children which influence parent-child interaction, particularly in the context of feeding and eating problems. Jackie has a particular interest in children?s fussy eating including poor fruit and vegetable acceptance, emotional eating, and obesity.
