

Jacob Tsimerman

Assistant Professor at University of Toronto, Department of Mathematics

Toronto, ON, CA

Jacob Tsimerman is a Canadian mathematician at University of Toronto specialising in number theory and related areas.

Biography

Jacob obtained his PhD degree from Princeton University in 2011 under the guidance of Peter Clive Sarnak. He was awarded the SASTRA Ramanujan Prize in the year 2015. Tsimerman is recognized for his work on the André-Oort conjecture and for his mastery of both analytic number theory and algebraic geometry.

Industry Applications

Education/Learning, Research

Research Interests

Number Theory, Arithmetic Geometry

Education

Princeton University

Ph.D. Mathematics

Accomplishments

SASTRA Ramanujan Prize

The SASTRA Ramanujan Prize, founded by Shanmugha Arts, Science, Technology & Research Academy (SASTRA) University in Kumbakonam, India, Srinivasa Ramanujan's hometown, is awarded every year to a young mathematician judged to have done outstanding work in Ramanujan's fields of interest.
