

Jacqueline Thong

Partnership Success at Consulate General of Canada (CTA Boston)

Boston, MA, US

Jacqueline Thong is an entrepreneur and healthcare technology innovator with experience in software and health IT.

Biography

Jacqueline Thong is an experienced entrepreneur and healthcare technology innovator with over 18 years of experience in software and health IT, in roles ranging from client management to product management and operations. She enjoys applying her skills in product development and relationship building to solving challenging problems in healthcare. Prior to founding her venture, Klio Health, she was an early employee at CRF Health, one of the leading providers of electronic patient reported outcomes data capture systems for the clinical trials industry. Having lived and worked in Asia, Europe, and North America, she is skilled at managing teams across cultures and time zones and thrives in environments where she has the opportunity to interact with people across multiple disciplines.
