James Arthur

University Professor at University of Toronto, Department of Mathematics

Toronto, ON, CA

Professor Arthur's research focuses on the representations of Lie groups

---

Biography

James Arthur was born on May 18, 1944. He attended the University of Toronto as an undergraduate, and received his Ph.D. at Yale University in 1970, where his advisor was Robert Langlands. He has been a University Professor at the University of Toronto since 1987.

Industry Applications

Education/Learning, Research

Research Interests

Representations of Lie Groups, Automorphic Forms

Education

Yale University
Ph.D. Mathematics

University of Toronto
B.A. Mathematics
