

Janett Hildebrand

Clinical Assistant Professor Dept. of Nursing at the School of Social Work at USC Suzanne Dworak-Peck School of Social Work

Los Angeles, CA, US

-

Biography

Janett Hildebrand has been a family nurse practitioner for over 18 years. As a clinician, she has been employed at various community health centers that provide comprehensive primary care to patients in the lower socioeconomic level. She also worked in mobile health clinics that provided comprehensive care to migrant farm workers and their families. Prior to working as an FNP, she was a public health nurse in Orange County, CA, and provided community care to the underserved population.
