

# Janusz Konieczny

**Professor, Mathematics at University of Mary Washington**

Fredericksburg, VA, US

Janusz Konieczny is a professor of mathematics at the University of Mary Washington.

---

## Biography

Janusz Konieczny, Professor of Mathematics, earned a Ph.D. (1992) in mathematics from Pennsylvania State University, after receiving an M.S. (1982) in computer science and an M.S. (1978) in mathematics from Jagiellonian University (Poland). Among his honors is the UMW Alumni Association Outstanding Young Faculty Member Award and Waple Faculty Professional Achievement Award. He is the author of over 50 research articles in the theory of algebraic semigroups. His most recent articles have appeared in International Journal of Group Theory, Communications in Algebra, Semigroup Forum, and Journal of Algebra. Recently, he has given a presentation at the meeting of the American Mathematical Society. Dr. Konieczny was awarded a Waple Professorship for 2015-2017 and a sabbatical leave for the fall of 2017.

---

## Industry Expertise

Education/Learning, Research

---

## Areas of Expertise

Philosophy of Mathematics, Abstract Algebra

---

## Event Appearances

**The Commuting Graph of the Symmetric Inverse Semigroup**  
Analysis, Logic and Physics Seminar

---

## Education

**Pennsylvania State University**  
Ph.D. Mathematics

**Jagiellonian University**  
M.S. Computer Science

**Jagiellonian University**  
M.S. Mathematics

---

## **Accomplishments**

### **Mary Washington Faculty Development Grant**

Awarded by the University of Mary Washington.

### **Alumni Association Outstanding Young Faculty Member Award**

Awarded by the University of Mary Washington Alumni Association.
