Jason Dykstra

Conflict Management Specialist and Speaker at Absolution Mediation

Kitchener, Canada Area, ON, CA

Conflict Resolution Specialist, Mediator, Facilitator and Coach

Biography

Jason is the guy you call when you get yourself knee-deep in conflict. He?s a Conflict Management Specialist who is helping workplaces, congregations and families turn conflict situations into creative solutions. His speciality is in relational conflicts and communication and he is a trained mediator, conflict management coach, consultant, speaker, trainer and a self-proclaimed, social media enthusiast. He?s wildly passionate about people, communication tools and his wife and son. Specialties: I specialize in relational conflict, helping workplaces, congregations and families turn conflict situations into creative solutions.

Sample Talks

Conflict, Crisis, Social Media - What will you do when shit hits the fan?
Wherever there are two or more people, conflict is not far behind. The online world is no different! We are seeing more and more ?social media crisises? as more and more companies embrace social media within their organizations. This can have a harmful impact on a business or cause it to flourish and build a stronger community. It?s your choice. What will you do when shit hits the fan?
