## **Sample Talks**

### **Dutch Mobile Conference**

The Dutch Mobile Conference (DMC) is a 3-day conference about technologies used for mobile websites and mobile web application development taking place in Holland this year. The first day will be packed with in-depth tutorials. On the other 2 days talks will be given on various subjects regarding mobile web development. Ticket sales will start early March. I will be running a workshop on Getting Started with Titanium Mobile development on the first day, and giving a 45 minute talk on one of th
