Lead Nerd at inSourceCode

Biography

Jayson (aka Lead Nerd) somehow seems to squeeze 34 hours into a 24-hour day. What does one do with those extra 10 hours after Skyping with clients, managing project deadlines and deliverables, amping up the work environment and crafting business strategies? You will likely find Jayson reading, spending time with his beautiful wife and adorable pups, or hanging out with his family and church community. The biggest names in national politics and Indiana business turn to inSourceCode for help with Facebook, website design, Twitter, search engine optimization and email communication. inSourceCode is a full service new media company with clients including Mike Pence, the Indiana Pacers, the Republican National Committee and the Indiana Chamber of Commerce.
