

Jean Roy

Principal Consultant at Consulate General of Canada (CTA Boston)

Boston, MA, US

Jean Roy is an expert across multiple industries including, medical device, retail, aerospace and business intelligence, project management.

Biography

Jean Roy is an accomplished leader with experience across multiple industries - medical device, textile, retail, aerospace and steel and expertise in many functional areas - marketing, supply chain, operations, business intelligence, project management, logistics and engineering. He excels in roles where he can apply his experiences, skills and accumulated business acumen to lead teams in challenging environments where he leverages his leadership and project management fundamentals to attain objectives and exceed expectations. In his current role at Cleartelligence, Jean designs and develops Solution Architecture for new projects, and he is responsible for business development. Jean previously founded Honest Moose LLC, a data-based consulting service, and has experience in business intelligence and supply chains from his time at Gildan Activewear and Medtronic, respectively.
