IRA Investor at Law Office of Jeff Watson

Cincinnati, OH, US

Self Directed IRA

Jeff has been a real estate investor since 1993. The Jeffery S. Watson Law Firm primarily deals with established real estate investors, particularly those who are using self-directed retirement accounts. As a frequent and popular guest speaker he has become a recognized thought leader and innovator in the field of real estate investing. From 2010 to present Jeff has led the Distressed Property Coalition; a Washington DC lobbying effort in bringing about several changes in government regulation of distressed property purchases and re-sales. The new Standard National Short Sale Policy instituted by FHFA, effective Nov. 1st 2012 is due in part to the DPC and Jeff's efforts. This means that Jeff and the DPC just changed the rules; for the better, on how investors and others buy and sell real estate.
