Biography

Hello. Jeffrey Mack is a digital storyteller, curator, and marketer whose temporary obsessions with technology, science, history, and culture lead to the creation of incredible things. Currently the head of Social Media strategy at a leading technology company, Mr. Mack has provided digital strategy and product design for a number of companies, politicians, and assorted yahoos looking to take over the world...digitally. Mr. Mack is a frequent guest lecturer at New York University and spends his free time dreaming of being a rock star in his imaginary band, Triceratops.
