Dr. McCallum is a Professor of Chemistry at Loyola Marymount University. He received his Ph.D. in Chemistry from U.C. Los Angeles in 2005 and graduated with a B.A. in Chemistry from Princeton University in 1996. 2018 - present Professor, Loyola Marymount University - Department of Chemistry and Biochemistry 2011 - 2018 Associate Professor, Loyola Marymount University - Department of Chemistry and Biochemistry 2005 - 2011 Assistant Professor, Loyola Marymount University - Department of Chemistry and Biochemistry

Industry Expertise

Education/Learning, Research

Areas of Expertise

Higher Education, Chemistry, Oxidation, Organic Chemistry, Science, NMR

Affiliations

American Chemical Society (ACS), Preparing Future Faculty at UCLA

Education

University of California at Los Angeles

Ph.D. Organic Chemistry

Princeton University

B.A. Chemistry

Accomplishments

Rudinica Prize for Teaching and Advising, Seaver College of Science and Engineering

This award recognizes his ability to effectively engage students in course material, as well as his distinct interest in the academic well-being of the students and active participation in their advisement.
