

Jerry Park, Ph.D.

Associate Professor of Sociology at Baylor University

Waco, TX, US

Jerry Park is an Associate Professor of Sociology and an Affiliate Fellow of the Institute for Studies on Religion at Baylor University.

Biography

Dr. Jerry Park is an associate professor of sociology and an affiliate fellow of the Baylor Institute for Studies of Religion. He graduated from the University of Virginia with a psychology degree and earned his masters and Ph.D. degrees in sociology from the University of Notre Dame. His research interests include the sociological study of religion, racial and religious prejudice, identity, culture and civic participation. Recent publications have covered stereotypes about Asian Americans, religious media consumption, religion in the workplace, religious attitudes of academic scientists, and Asian-American religiosity. Currently his research focuses on the role of religion and entrepreneurial and work behavior, as well as religion and racial stratification attitudes. His undergraduate teaching is in race and ethnicity, and at the graduate level, he teaches a seminar on the sociology of culture and religiosity, and the sociology of religion, race, and gender.
