

# **Jill Becker**

**Founder and CEO at Consulate General of Canada (CTA Boston)**

Cambridge, MA, US

Dr. Jill Becker is an expert in maximizing value for high growth technology companies, start-ups & non profits.

---

## **Biography**

Dr. Becker is CEO and Founder of 02139 Inc., a consulting firm that provides executive consulting services to both public and private companies with a heavy focus on accelerating growth. She is heavily involved in the entrepreneurial scene in the Boston area and abroad, serving as Kebotix, a high-tech materials discovery company, and is active as a fund advisor. Prior to that, Dr. Becker was CEO and Founder of Cambridge NanoTech Inc. Under her leadership the company was instantly profitable, operating at a profit every year and one of the fastest growing private companies in the US from 2008-2012. Dr. Becker is a member of the Young Presidents Organization (YPO) and has won numerous awards including the Ernst and Young Entrepreneur of the Year. Jill is a board member of the Canadian Entrepreneurs in New England.
