Biography

Hi, I'm Jimi. I'm good at standing in front of a camera and saying words or standing in front of corporates, schools and others and telling inspiring stories. (www.jimihunt.com) I am the Founder of Live More Awesome, a New Zealand based not-for-profit that helps people take control of their depression and mental health through positive actions. I also lilo'ed the entire Waikato river and built the World's Biggest Waterslide, both with a \$0 budget.
