

John Barry

Adjunct faculty at Tulane University

New Orleans, LA, US

John Barry can speak to the coronavirus and how it compares to seasonal and pandemic viruses seen in past years.

Biography

John Barry, author of *The Great Influenza: The Story of the Deadliest Pandemic in History*, can speak to the coronavirus and how it compares to seasonal and pandemic viruses seen in past years. His research focuses on how viruses spread, what causes them to become pandemics and what can be done to control deadly infections. Barry is an American author and historian who has written books on the Great Mississippi Flood of 1927, the influenza pandemic of 1918, and the development of the modern form of the ideas of separation of church and state and individual liberty. He is a Distinguished Scholar and adjunct faculty at Tulane University.
