

# **John Chandy, Ph.D.**

**Professor, School of Engineering at University of Connecticut**

Storrs, CT, US

Professor focused on cybersecurity, computer hacking, Internet of Things, systems engineering, and computer hardware security.

---

## **Biography**

Dr. John Chandy is a Professor and Associate Head at the School of Engineering. Dr. Chandy's research is focused on clustered network storage and distributed file systems, parallel algorithms and distributed system architectures, reconfigurable computing, and hardware security.

---

## **Areas of Expertise**

Hardware Security, Distributed System Architectures , Distributed File Systems, Network Storage, Parallel Algorithms, Reconfigurable Computing

---

## **Affiliations**

Institute of Electrical and Electronics Engineers, Member, Association for Computing Machinery, Member, USENIX, Member

---

## **Education**

**University of Illinois**

Ph.D. Electrical Engineering

**University of Illinois**

M.S. Electrical Engineering

**Massachusetts Institute of Technology**

B.S. Electrical Engineering
