Biography

Hi! I am Jon Mase. I live in Suffern, NY. I moved to the Town of Ramapo in Rockland County, New York from Japan in and I settled in Suffern. My name in Japanese is ?????? which sounds a lot like Jon Mase (not Jonathan Mase). I am an animator and I make custom artwork. I have lived in the Ch?goku region of Japan all of my life close to Hiroshima (yes that Hiroshima!). I am fluent in English but living in Suffern is very strange to me because I have never left Japan. I planned my departure from Japan as I completed secondary school and I am thinking of attending university here in order to make friends and learn more about digital animation. Please see my new social media websites and follow me so I may meet new people. Suffern, NY is a very quiet place and New York City is so expensive (but wonderful!) Please inquire about Jon Mase's custom artwork! Hoping to meet you online, ?????? "Jon Mase"
