

Jon Arne Sæterås

Vice President at Mobiletech

Sandnes, , NO

Fascinated by the grand, spectacular and systems that just work.

Biography

John Arne is a mobile guy. He has been an active member and thought leader in the global mobile community since the late nineties. John Arne is a developer by trade, and truly believe that the key to success is a happy end user, and that innovative use of technology will help achieve that truly optimal user experience. Coding now is just done for recreation as he is now heading the Innovation and Products team at Mobiletech, a leading mobile software and services company, which he also invented and co-founded. Mobiletech is powering mobile solutions in more than 60 countries. Jon Arne is also an occasional writer, blogger, speaker and book reviewer.
