Jonathan is an excellent motivational speaker. His talent as a connector and encourager has benefited me directly, and I would recommend him to any organization looking for someone to motivate their staff to excellence.

As a community advocate and administrator of Common Ground Outreach Centre, I was privileged to meet and experience the heart and skills of Jonathan Foster. Upon hearing and seeing him operate in his gifts and skills as an inspirational speaker and professional motivator, I made a mental note of how everyone was being lifted and how hope was being birthed before my eyes in the heart and minds of us all. If I could convey the sum of my thoughts that night it would read like this: Out of the box and qualified to lead us all into the next level of economic, social and spiritual success. Jonathan Foster's transparency and character mixed with skilled excellency, conveyed to us all who he is.

Jonathan is awake. His social awareness gives him an edge when connecting and communicating with others. Jonathan is able to bring clarity and simplicity out of a complicated topic-- a verbal gangster I suppose. Jonathan is engaging, colorful and creative. These attributes are prevalent in more areas than his communication skills. This ability allows him to excel in various situations. I highly recommend Jonathan because of his infectious inspiration that motivates others.
