

Jorg Peters

Professor at University of Florida

Gainesville, FL, US

Jorg Peters conducts research in graphics, visualization, human-centered computing and more.

Biography

Jorg Peters researches modeling and computing with geometry, computer graphics, geometric design, numerical computations and simulations (surgery simulation with force feedback). Jorg's primary research is in graphics and visualization. He is a professor in the Department of Computer and Information Science and Engineer in the College of Engineering.

Areas of Expertise

Data Science, Computer Graphics, Geometric Modeling, Surgery Simulation, Virtual Reality, Machine Learning
