Biography

I never saw myself as a Real Estate Agent (Realtor), and I always wanted to be a business owner. With our Real Estate Company our vision is to be a Leadership company that happens to sell real estate. Whether its our unique technology driven marketing or our agent's ability to personalize the experience, we strive for excellence in Real Estate. With Real Estate, my goal is to show that love for people and excellence in the experience whether it's buying an investment piece of real estate, short selling a home or buying a luxury home.
