CEO and Founder at Career Enlightenment

Portland, Oregon Area, OR, US

Author of Job Searching With Social Media For Dummies | Speaker | VP Communications

Biography

I am the author of the best selling book, Job Searching with Social Media For Dummies, which has sold over 10,000 copies in the US and abroad. I'm frequently quoted by Forbes, Mashable and International Business Times for advice on using social media to find jobs. When I'm not writing articles or books, I enjoy presenting to students on finding a job online and training their career counselors on winning strategies so they always feel ahead of the curve. I've given over 100 talks and trainings to organizations such as University of Southern California, American Chemical Society, Texas Christian University, DeVry and many many more. To connect with me about giving a talk or training at your organization, please visit: <http://www.careerenlightenment.com/> I welcome all connections.
