

Jovita Sundaramoorthy

Vice President, Research and Education at Diabetes Canada

Toronto, ON, CA

Jovita Sundaramoorthy is Vice President of Research and Education

Jovita Sundaramoorthy is the Vice President of Research and Education. She provides strategic leadership for a diverse portfolio that touches on knowledge translation, the development of clinical practice guidelines, evaluating and investing in the best and most innovative research in Canada, and the dissemination and implementation of practical educational tools for both patients and healthcare professionals. Diabetes Canada is proud to be a leading supporter of diabetes research in Canada and it is Jovita's hope that, by supporting Canada's most outstanding clinicians and scientists, we will not only improve the quality of life of people living with diabetes, but eventually find a cure.
