Biography

I'm a film and television producer, director and award-winning screenwriter. In 2018, I directed "Let's Scare Julie", the first ever American horror feature filmed in one real-time unedited shot. As Vice President of Production at Mike Mathis Productions, I oversaw in-house operations, network show budget negotiations, production, post and delivery for over 300 hours of TV programming. Clients included Animal Planet, Discovery, Food Network, National Geographic, OWN and TLC. I began my career directing documentary/reality TV shows and producing features for Roger Corman and Bryan Cranston, among others.
