

Justin Cole

Director of the Center for Pharmacy Innovation at Cedarville University

Cedarville, OH, US

Dr. Cole is an expert in pediatrics, pharmacy innovation, interprofessional care, and pharmacy practice advancement.

Biography

Dr. Justin Cole serves as associate professor and chair of the department of pharmacy practice at the Cedarville University School of Pharmacy. He also directs the Center for Pharmacy Innovation. His teaching, research, and clinical interests are centered on pediatric clinical care. Prior to joining the faculty, Dr. Cole worked at Nationwide Children's Hospital in Columbus, Ohio, where he established clinical pharmacy services for the inpatient neurosciences unit and the comprehensive epilepsy center. During his time there he also served as Pharmacy Clinical Coordinator, leading the strategic development of clinical and investigational drug services within the health system. Dr. Cole is active in several national pharmacy organizations, including the American Society of Health-Systems Pharmacists, the Pediatric Pharmacy Association, and the American College of Clinical Pharmacy. His research interests include the treatment of pediatric neurologic conditions, behavioral health, pharmacokinetics, vaccination practices, quality improvement methodology, and the integration of real-world technology into the classroom. He currently serves as the pediatric behavioral health clinical pharmacist at Rocking Horse Community Health Center, a federally-qualified health center in Springfield, Ohio.
