Special Projects

Biography

Recruited to assist in setting up a seminar session addressing near-term commercialization of fuel cells. Oversaw quality and readiness of extended abstracts and PowerPoint presentations; ensured timely delivery to speakers and flawless session coordination. Gained tremendous experience in diverse aspects of Fuel Cell Consulting business, including research preparation, business plan development, and meeting orchestration. Organized technical reports on emerging fuel cell markets. Coordinated technical sessions, meetings, and reports. Followed-up leads on all hydrogen and fuel cell education activities for K-12 programs. Performed co-chair, poster presenter, panelist, and speaker roles. Initiated Internet searches relative to multiple projects. Selected Contributions: ? Arranged entire education / public awareness seminar session, including identifying and procuring speakers as part of the 2007 4th Track to the Fuel Cell Seminar. ? Served as co-chair during 2006, 2007, and 2008 Fuel Cell Seminar & Exposition, addressing Low Temperature Fuel Cells Technical Sessions, Residential Application Technical Session, and Fuel Cell Formal Education / Curriculum / Public Awareness. ? Invited panelist and poster presenter at National Hydrogen Association Conference; invited panelist at University of Minnesota's Renewable Conference; and, invited speaker at NASA-sponsored pre-service teacher conference in Alexandria, VA.

Availability

Moderator, Workshop, Corporate Training

Industry Expertise

Education/Learning, Corporate Training, Program Development

Areas of Expertise

Fuel Cell, Fuel Cell Education, Elementary Science Education

Event Appearances

Fuel Cell & Hydrogen Education - Creative Ways for Kids to Learn!
Fuel Cell Seminar & Exposition

Hydrogen and Fuel Cell Education Programs - Elementary, Middle, and High School
Fuel Cell Seminar & Exposition

Education

Saint Joseph's University

Instructional Technology Masters of Science

King's College

Marketing Bachelor of Science
