

Kathleen Becker

Clinical Associate Professor Dept. of Nursing at the School of Social Work at USC Suzanne Dworak-Peck School of Social Work

Los Angeles, CA, US

Nursing expert, focusing on community-public health

Biography

Kathleen Becker serves as a clinical associate professor in the Department of Nursing. Prior to joining USC, she was an assistant professor in the Department of Community-Public Health at Johns Hopkins University School of Nursing. A nurse practitioner, she has provided primary care to homeless people and underserved patients in Baltimore, Maryland, for the past 30 years. She has worked in high-functioning teams, providing integrated, person-centered care to the homeless population at Health Care for the Homeless and to inner-city elders through the Community Aging in Place?Advancing Better Living for Elders program. She is a fellow of the National Academies of Practice and a member of the Nurse Practitioner Association of Maryland and the National Organization of Nurse Practitioner Faculties. Previously, she served as a commissioner for the Maryland Statewide Advisory Commission on Immunizations. Becker received her doctorate in nursing practice from Chatham University, and master?s and bachelor?s degrees in nursing from the University of Maryland, Baltimore.
