Kevin Jones - Christian speaker

---

## **Biography**

Kevin was born near Birmingham, England and immigrated to the United States in 2000. Kevin was heavily involved in sports as a younger man playing cricket, rugby and field hockey! These days, Kevin is still passionately in love with sports and even had the opportunity to 'color commentate' for a local high school soccer team! Kevin also loves to write and showcases some of that talent through the local newspaper and on his blog. Kevin's lifelong testimony, how he came to know Christ and the path he has traveled is a wonderful witness to how God works in each of our lives. Kevin also has the ability to enable his audience to understand how scripture is still applicable in our current lives. Kevin is an interesting and humorous speaker, engaging and enjoyable.

## Testimonials

### Matthew Spencer

When I first met Kevin I just thought "oh here's a big British guy with a funny accent." I never thought he would impact my life the way he did in the years he was at my church. ? Kevin doesn't just speak to hear himself talk, nor just to throw some verses at you and tell you what they mean, he makes YOU think, he pushes you to let your mind take in what he says to you and help you interpret into how it pertains to your own life. Not just a generic universal bible lesson. Thank you Kevin for what you've done, and I hope you continue to help people like me and make the impacts in their lives like you did me. Signed, Matthew S., Madison, Alabama
