Independent Health Agent, Blogger, History Author at Insure Me Kevin

Granite Bay, CA, US

Health Insurance & Reform

Biography

Kevin Knauss writes extensively about the Affordable Care Act, Covered California, and Medi-Cal on his website www.insuremekevin.com. Knauss works to bring Obamacare into focus from enrollment to reconciling the Premium Tax Credits on taxpayers IRS tax return with discussions on 1095s and Form 8962. Knauss recently published a book on history, "Hidden History Beneath Folsom Lake". This book catalogues the many gold rush era mining sites and structures that were uncovered when Folsom Lake reach record low water levels in 2015 because of the California drought. He has created a PowerPoint presentation of many of photos and maps in his book found on his many hikes across the dry lake bed.

Areas of Expertise

Covered California, Health Insurance, Folsom Lake History

Sample Talks

Health Care Reform

Affordable Care Act health insurance marketplace Covered California will be opening up to enroll millions of residents with affordable health insurance. What is Covered California? Who is eligible to participate? What type of health insurance is offered? How will tax credits be applied to reduce monthly premiums? Kevin answers all this questions and more in an overview of new health care reform implementation in California.

Education

UC Davis

BS Agriculture

Accomplishments

Hidden History Beneath Folsom Lake

Published in August 2016, "Hidden History Beneath Folsom Lake" documents many gold rush era sites along the North and South Forks of the American River covered by water when Folsom Dam was built in the 1950s.
