From Corporate To Conscious: Change the Course of Business...Change the World

---

## **Biography**

Kim Page is the Author of the forthcoming book "From Corporate To Conscious: The Birth of the Awakened Corporation". She spent 25 years climbing the corporate ladder, pursuing her passion as a leader in both sales and operations and ultimately executive leadership in the information services industry. Over the course of her career in the corporate world, Kim witnessed many changes in how businesses were run, the role of HR, the intention of leadership and the overall effect on employees and clients. Kim also devoted herself to another passion ? Consciousness and its effect on human behavior and interaction. It's the combining of her knowledge and experience in these two areas that lead to the development of ?the Quantum Scene: A Conscious Business Consortium and her book, speaking platform, and radio program: From Corporate To Conscious. Kim is also a certified Leadership Coach. Before leaving the corporate world behind, Kim held the position of Vice President of Client Services and V.P of Relationship Management for a well known Fortune 500 company. She left the corporate world in 2009 to bring her passion for this topic to business world as a Conscious Business Leadership expert through her speaking and consulting business, and is a member of the National Speakers Association. Kim brings her vast experience; knowledge and compassion to business leaders worldwide to help navigate the new business paradigm, guiding them to a new level of business success. Her desire is to serve leaders and business professionals alike to inspire and support the change that is already occurring and so desperately needed, to provide new insights, and a new way of looking at the world of business. Change the course of Business?Change the World!
