

Lance Dublin

Creative Abrasionist (and CEO/Chief Solution Architect) at Dublin Consulting

San Francisco, CA, US

Dynamic, engaging, and experienced speaker who challenges and energizes audiences

Biography

Lance Dublin is an independent management consultant, author and speaker based in San Francisco, California and serving clients worldwide. He applies his expertise in strategy development, program design, change management and organizational development to revitalizing organizational learning through the application of new technologies and approaches, implementing large-scale change and transforming learning organizations. He brings to his work more than 30 years' experience in adult education and training, communication and change management, organizational design and development, and new technologies and business re-engineering. Lance has worked across a wide range of industries including financial services and insurance, technology and information services, pharmaceutical and health care, oil and gas, chemical, communications, hospitality and food services, and both the government and non-governmental agencies. Lance is a regular speaker and keynote presenter at regional, national and international conferences. In addition, he is the author of numerous published articles, co-author of the capstone book in ASTD's e-learning series, "Implementing e-Learning" and a contributor to ASTD's "Handbook of Training Design and Delivery", Elliot Masie's "Learning Rants, Raves and Reflections," and Marc Rosenberg's "Beyond e-Learning."
