

Leigh E. Rich

Professor of Health Administration at Georgia Southern University

Savannah, GA, US

Leigh Rich is an expert in bioethics, biotechnology, health communication, and gender and the media.

Biography

In the vein of Chekhov, Leigh E. Rich has followed two passions: medicine and literature. A professor of Health Administration, she has a Ph.D. in Health and Behavioral Sciences and an M.A. in Cultural/Medical Anthropology and teaches courses in bioethics, law and policy, and social theory. Her research focuses on bioethics, the body, health-related law and policy, visual media, and gender. A longtime ?culture critic,? she is an award-winning writer and the host of the radio program Listening to Literature. She has experience as a journalist for publications in and beyond Colorado and has worked or studied in Australia, Denmark, Italy, Russia, and Switzerland.
