Sample Talks

Vocal Skills for Professionals

The voice is the major tool of so many professions; but is overlooked in the vast majority of industries. This interactive talk & workshop incorporates theoretical & practical information, tips & advice to augment vocal skills, build awareness of healthier vocal practice as well as aim to prevent vocal damage in the future for anyone who uses their voice as part of their professional life. The talk is also easily tailored to address the specific needs of your profession.

Accomplishments

TemperVox

Founding & running the company TemperVox Ltd since 2007 has been an exciting & diverse undertaking, including traveling the length & breadth of the UK, working with teachers, unions, professional speakers, call centre operatives, business executives & performers on better vocal practice. We have recently finished filming a training DVD for teachers that specializes in Manual Handling, Back & Voice Care.
