---

## **Biography**

Julian Lowell Mooney, Ph.D., is professor of accounting and a former director of the School of Accountancy here at Georgia Southern University. He holds a doctorate degree in accounting with a minor in management information systems from The University of Georgia. Mooney worked for several years in the information systems organization of a major telecommunications firm. He is a member of the American Institute of Certified Public Accountants, the Georgia Society of CPAs, the Institute of Management Accountants, and a number of other professional organizations. Mooney's research interests are listed above. He teaches accounting principles, management accounting, and accounting information systems at both the undergraduate and graduate levels. Mooney has received numerous awards for his teaching, research, and service activities, including the Beta Alpha Psi Outstanding Advisor award, the Georgia Society of CPAs Outstanding Accounting Educator award, and the Georgia Southern University Bishop Award for Sustained Excellence.
