## **Biography**

Mamadou Seye is a General Manager and Business Development Expert with more than a decade of expertise in the construction and project management industry. With experience in handling both the operational and financial aspects of a business development project, he has continuously provided valuable insight in bringing growth, revenue, and viability to businesses and corporations. He has also consistently succeeded in managing teams and organizing processes to maximize efficiency and profitability. Mamadou's wide range of expertise has allowed him to be flexible and easily adaptive to new work settings and environments. He has the ability to launch into new construction projects with great ease and professionalism. His strong leadership and communication skills also play a vital role in giving instructions, receiving feedback, and coordinating with internal and external relations, both on-site and off-site. Over the course of his professional experience, Mamadou has demonstrated keen attention to detail and effective problem-solving skills. He is very meticulous in all aspects of the business he engages in and always finds a brilliant solution to every problem that arises. Because of his strong operational focus and adept financial expertise, Mamadou has gained a solid track record of excellence in the consulting, construction, engineering, and project management industries. He is a strong business leader with the highest quality of integrity, professionalism, and passion in the construction market.
