Superior communication skills are key to your success in business and no other keynote speaker entertains and trains others with these skills more effectively than Mark Bowden... Mark Bowden is the keynote speaker for professionals whose business depends upon winning the hearts and minds of prospective clients, existing customers, stakeholders and business partners by possessing the most powerful and persuasive presence, both in terms of body language and verbal expertise.

Testimonials

Dr. Dean Tripp

Mark is extremely knowledgeable and accurate; delivering practical and empirically supported vantage points from which to view the behaviours of others. Talent in the field of interpersonal awareness, Mark will make you and your staff appreciate new and clever methods of turning unrecognized interpersonal information into opportunities for success!

Arlene Dickinson

The rave reviews of your speech continue to pour in. Can't say I'm surprised. Thanks for giving solid steps for confident, persuasive and influential communication for all to take hold of and build upon.

Chris Kostca

Great keynote, enjoyed by all: the next day everyone was using your powerful techniques and incorporating them into their presentations. In fact, I'm using them too!

Caroline Aston,

Mark is guaranteed to thrill your audience while providing great communication tools. And they will love you for hiring him.
