

Mary G. Warren, Ph.D., IMH-E(IV-P)

Affiliate Faculty - Infant & Early Childhood Development - School of Psychology at Fielding Graduate University

Tempe, AZ, US

Learn to use your powerful voice to advocate for services/funding/policies for infants/toddlers and families!

Biography

Mary G Warren, PhD, IMH-E(IV-P) is a member of the adjunct faculty in the School of Leadership Studies at Fielding Graduate University. Her academic interests include: ? Empowering Fielding students to engage in effective advocacy for young children and their families. Advocacy could be for services, funding, collaborations, policies, etc. ? Encouraging Fielding students to join and support their state/province/region Association for Infant Mental Health. Where such Association does not yet exist, establish one. Learn more about Infant Mental Health Endorsement: what it is, how it benefits you and the families and communities you engage with. ? Exploring how culture, in all its many forms, influences child rearing. ? Encouraging Fielding students to share their knowledge and expertise across multiple formats and venues. Provide subject matter training and/or technical assistance both online and face to face.
