

# **Maxime Fortier Bourque**

**Coxeter Assistant Professor at University of Toronto, Department of Mathematics**  
Toronto, ON, CA

Maxime Fortier Bourque's research focuses on Teichmüller theory

---

## **Industry Applications**

Education/Learning, Research

---

## **Research Interests**

Teichmüller theory, Hyperbolic Geometry, Complex Analysis and Potential Theory

---

## **Education**

**City University of New York (CUNY)**  
Ph.D. Mathematics

**Brown University**  
M.Sc Mathematics

**Université Laval**  
M.Sc Mathematics

**Université Laval**  
B.Sc Mathematics

---

## **Accomplishments**

### **Postdoctoral Fellowship**

Awarded by the Fonds de recherche du Québec - Nature et technologies.

### **Postgraduate Scholarship**

Awarded by the Natural Sciences and Engineering Research Council of Canada.

### **Masters Research Scholarship**

Awarded by the Fonds de recherche du Québec - Nature et technologies.

### **Alexander Graham Bell Canada Graduate Scholarship**

Awarded by the Natural Sciences and Engineering Research Council of Canada.

**Math in Moscow Scholarship**

Awarded by the Natural Sciences and Engineering Research Council of Canada and the Canadian Mathematics Society.

**Undergraduate Student Research Award**

Awarded by the Natural Sciences and Engineering Research Council of Canada.

**Governor General's Academic Medal**

Awarded to the student graduating with the highest average from a high school, as well as from approved college or university programs.
