---

## **Education**

**Princeton University**

Ph. D. Political Science

**Princeton University**

M.A. Political Science

**Pennsylvania State University**

B.A. International Politics

---

## **Accomplishments**

### **Executive Policymaking: The Role of the OMB in the Presidency**

Executive Policymaking: The Role of the OMB in the Presidency, a book co-edited by Executive Dean and Political Science Professor Meena Bose, introduces readers to the operations and responsibilities of the Office of Management and Budget, one of the federal government's most powerful but least understood agencies, according to Dr. Bose. Executive Policymaking: The Role of the OMB in the Presidency was published by Brookings Institution Press and is available on Kindle and in paperback format.

### **The Barack Obama Presidency: Hope and Change**

Dr. Bose directed Hofstra's 13th presidential conference. During each presidential conference, Hofstra brings together scholars, policy makers, and journalists for panels and roundtables to discuss a president's campaign, political leadership, policy agenda, and legacy. The event continued Hofstra's distinguished tradition of hosting conferences on the administrations of every U.S. president since the university's founding in 1935, from Franklin Delano Roosevelt forward.
