## **Biography**

Mero Samuel is the Founder of the Australian Graduate School of Coaching & Entrepreneurship. He is a serial entrepreneur who has established six multimillion-dollar companies since the age seventeen. He is an Award winning International Business Coach who has consulted to hundreds of companies and has educated over 250,000 people, both offline and online Globally. If you are looking to develop or grow your business - visit [www.merosamuel.com](http://www.merosamuel.com) Over the past twelve years, Mero has worked with top 500 companies, CEOs, company executives and business owners from around the world to develop business strategies and growth models that enhance business processes, optimise team performance, and increase overall sales and revenue. Mero provides proven, results based strategic business coaching, team coaching, training programs, succession planning, leadership development and mentoring for CEOs, executives, entrepreneurs and business owners. With a focus on leadership, planning and business optimisation, Mero delivers proven world-class business strategies and systems that are designed to create real results. Mero's creative coaching style will guide and mentor you to achieve maximum clarity, efficiency and profitability to your company. Prior to founding Mero Samuel Learning & Development® in 2004, Mero held a range of senior executive positions including; Corporate Sales Manager with Optus Communications, Head of Business Management Faculty in tertiary education, and a number of Senior Management Positions within the Hospitality and Tourism industries. With nineteen years of International business experience, Mero has developed a real gift to identify the key issues that hinder people and organisations from achieving the results that they deserve. So, whether you are new startup, or you are looking at ways to maximising your business potential, contact Mero today to discuss the opportunity to have Mero work with you or your organisation.
