

Michael Burt

Director, Industrial Economic Trends at The Conference Board of Canada

Ottawa, ON, CA

And now, the weather: Find out which way the wind is blowing when it comes to forecasting trends in the industrial sectors of the economy

Michael Burt is a Director in the Industrial Economic Trends group at the Conference Board of Canada. He joined the CBoC in March of 2004 and prior to that he worked with an economic consulting firm in the United States. Mike has more than fourteen years of experience conducting industry forecasting and analysis. Over his professional career he has also completed many studies examining the impact of socio-economic variables on the performance of the private sector.

Director, Industrial Economic Trends ? Conference Board of Canada

The Conference Board of Canada (CBoC) is the foremost independent, not-for-profit applied research organization in Canada. Since 1954, the Board has been committed to researching innovative practices, designing new strategies and providing our members with the most up-to-date information, analysis and expertise to help them excel in Canada and around the world. The CBoC builds leadership capacity by creating and sharing insights on economic trends, public policy and organizational performance.
