

Michelle McKinnon Miller

Associate Professor of Economics at Loyola Marymount University

Los Angeles, CA, US

Bellarmino College of Liberal Arts

Biography

Michelle Miller is an Associate Professor of Economics at Loyola Marymount University. Her primary research focuses on the field of law and economics with a particular emphasis on consumer bankruptcy. Using quantitative methods, her research examines how households deal with financial distress and how policy choices can impact those outcomes. She is the recipient of numerous research grants, including funding from the National Science Foundation. Her research also includes labor economics and health economics.
