

Neil McEvoy

Founder and CEO at Cloud Best Practices Network

Toronto, ON, CA

Founder of the Cloud Best Practices Network

Biography

Neil McEvoy is a Cloud Computing entrepreneur who has been pioneering new innovations in this industry for twenty years. Aged 28 he launched his first company, one of the Europe's first ASPs (Application Service Providers), a joint venture with Microsoft to bring hosted CMS systems to small businesses and funded by the elite of the UK Internet entrepreneur market. Since then Neil has repeatedly brought new Cloud products and managed services to market across a spectrum of different industries and product segments, both in Europe and now more in North America. Most recently Neil has founded and launched the Cloud Best Practices Network, with plans to expand throughout the nation, the USA, Europe and Asia.
