Biography

Nkwuka Chiedu is the Head of Engineering of Asaba, Delta State based technology consulting & service company, Theokaris Technology Services Limited. With over 8+ years of experience in the information technology space, he regularly consults for individuals and businesses on information technology procurement, installation, maintenance, business planning and strategy. An avid volunteer, he worked with the N.Y.S.C/N.D.L.E.A Drug-Free C.D.S group, a government-backed initiative that aimed to reduce the incidence of drug-abuse/use of banned substances among rural youths through advocacy and sensitization and also currently serves as the President of R.C.C.G Unity Young Adult and Youth Fellowship. Chiedu also holds a Honors degree (B. Eng) in Electrical and Electronics Engineering from the Federal University of Technology, Akure, was a N.N.P.C/ Mobil Nigeria Unlimited Scholar from 2007 - 2011 and a Zain Africa Challenge International Scholar. A polymath and master communicator with proficiency in the three main Nigerian languages of Ibo, Yoruba and Hausa, he is looking for opportunities to contribute his expertise in new and upcoming start-ups. Interests: artificial intelligence, disruptive technologies, critical thinking, emotional intelligence, business strategy, value investing, entrepreneurship and public speaking.
