

# **Nora Madjar, Ph.D.**

**Associate Professor of Management at University of Connecticut**

Storrs, CT, US

Social and contextual factors for creativity at work, role of interruptions, work-family interface and negotiations.

---

## **Biography**

Professor Madjar's expertise is creativity in the workplace. Her research examines the social and contextual factors that stimulate or hinder creative performance and what stimulates creativity in negotiations. Her scholarly work also explores the role of interruptions at work and the work-family interface, or different ways to structure jobs to facilitate the creative process. Professor Madjar teaches courses in organizational behavior, managing creativity and innovation and negotiations for both undergraduate and MBA students.
