

Nora P. Reilly, Ph.D.

Director - Psychology Program at Fielding Graduate University

Radford, VA, US

Organizational Psychologist, Educator, Consultant, Quality of Work Life Advocate

Biography

Nora P. Reilly, PhD, is the Director of the Psychology Program and Professor at Fielding Graduate University. Dr. Reilly earned her bachelor's degree in psychology with a minor in human biology at Stonehill College. She earned her PhD in experimental social psychology at Dartmouth. She has a specialty in industrial/organization psychology and until recently directed the I/O psychology graduate program at Radford University, where she was also a tenured professor. Her interests involve quality of work life, employee well-being, and emotions in the workplace. Dr. Reilly continues to engage in organizational consulting with companies ranging from large to small in both the non-profit and for-profit sectors.
